

Cams Hill School

Specialist School Community Outreach

Primary Specialist Community Partnership Schools

Following discussions with Beth Bramall, Science Coordinator, we were delighted to have been able to use our Science Specialist funding to purchase and provide Uplands Primary School with the following Science resources:

Windowsill Science book
Mini-beast photo pack
Inflatable insects
Orbit orrery
Foldout food chains
Giant teeth demonstration model
Class rock pack
Rocks and minerals poster
Dr Mark's magical Science
Dr Mark's circus Science
Inflatable solar system
A wire stripper

We have also been able to purchase two digital balances and a set of data loggers as a shared resource for use by our Partnership Primary Schools. All these resources will further enrich the learning of Science at Uplands Primary School.

Resources received by Mrs Gilbert
