

## YEAR 11 REVISION TIMETABLE 2018-2019

In addition to curriculum time (lessons) staff at Cams Hill offer a wide range of opportunities for pupils to revise and consolidate learning after school and at lunch times. Most lunch time sessions are invitation only. This will be done personally by teachers to specific pupils. These are sessions run voluntarily by members of staff.

Any Year 11 pupil is welcome at after school revision sessions. Some pupils will be specifically invited as there is deemed to be a need for further embedding and developing of knowledge. Where there may be a clash of sessions that pupils wish to attend, local solutions need to be made based on progress and in consultation with parents/carers and teaching staff.

Sessions identified in the table below take place from 3.15pm until between 4.15pm and 4.30pm unless otherwise stated. Please note that the Tuesday after school session runs from 2.15pm until 3.30pm. Core subjects that all pupils study feature in the top row followed by other subjects in alphabetical order.
