Information about you that we hold includes your contact details, national curriculum assessment results, attendance information and personal characteristics such as your ethnic group, any special educational needs you may have and relevant medical information. If you are enrolling for post 14 qualifications the Learning Records Service will give us your unique learner number (ULN) and may also give us details about your learning or qualifications.

Once you are aged 13 or over, we are required by law to pass on certain information to providers of youth support services in your area. This is the local authority support service for young people aged 13 to 19 in England. We must provide the names and addresses of you and your parent(s) and any further information relevant to the support services' role. We may also share data with post 16 providers to secure appropriate support on entry to post 16 provision.

However, parent(s) can ask that no information beyond names, addresses and your date of birth be passed to the support service. This right transfers to you on your 16th birthday. Please tell the School's Administrator using office@camshill.com if you wish to opt out of this arrangement.
