

## YEAR 11 REVISION TIMETABLE 2019-2020

In addition to curriculum time (lessons) staff at Cams Hill offer a wide range of opportunities for pupils to revise and consolidate learning after school and at lunch times. Most lunch time sessions are invitation only. This will be done personally by teachers to specific pupils. These are sessions run voluntarily by members of staff.

Any Year 11 pupil is welcome at after school revision sessions. Some pupils will be specifically invited as there is deemed to be a need for further embedding and developing of knowledge. Where there may be a clash of sessions that pupils wish to attend, local solutions need to be made based on progress and in consultation with parents/carers and teaching staff.

Sessions identified in the table below take place from 3.15pm until between 4.15pm and 4.30pm unless otherwise stated. Please note that the Tuesday after school session runs from 2.15pm until 3.30pm. Core subjects that all pupils study feature in the top row followed by other subjects in alphabetical order.

Monday	Tuesday	Wednesday	Thursday	Friday
Art	Science (from January)	Maths	English	Art
History		Photography	Art	Photography
Geography		Art	Photography	French
Art		German	Religious Studies	Sociology
