25 February 2021

TO ALL PARENTS/CARERS

Dear Parent/Carer

**Full return to school for pupils from 8 March 2021 – Communication 2a
 COVID-19 On-Site Testing for Pupils (Lateral Flow Device)**

The communication you are receiving today focusses on the Mass Testing that Cams Hill School is required to offer using our Asymptomatic Test Site (ATS) prior to a full return to school for all our pupils.

The table below identifies by year group, our current plan as from Friday 05 March 2021.

| Mass Testing and Return of All Pupils to Cams Hill School | | | | | | | |
|---|-------------------|--|-----------------|------------------|--------------------|-------------------|-----------------|
| Year Group | Friday 05.03.21 | | Monday 08.03.21 | Tuesday 09.03.21 | Wednesday 10.03.21 | Thursday 11.03.21 | Friday 12.03.21 |
| 11 | Test INSET DAY | | In school | In school | In school | In school | In school |
| 10 | INSET DAY | | Test CWOSP | In school | In school | In school | In school |
| 9 | INSET DAY | | RTP CSOWP | Test CWOSP | In school | In school | In school |
| 8 | INSET DAY | | RTP CWOSP | RTP CWOSP | Test CWOSP | In school | In school |
| 7 | INSET DAY | | RTP CWOSP | RTP CWOSP | RTP CWOSP | Test CWOSP | In school |

RTP – Real Time Provision. Online learning continues as per current expectations.

Test – Pupils are invited to school at a specific time to undertake a LFD test and will return straight home afterwards. Comms 2 b, c and d clarify details around consent, timings etc. No RTP will be provided on the test day for the specific year group. Instead, teachers will provide recap and/or revision tasks on CHOC.

In school – Pupils return to their timetabled lessons in school in full school uniform. Our extensive programme of risk reduction measures remains paramount during the phased return of all our pupils. Further information to follow including a reminder of staggered start and finish times.

CWOSP - Critical Workers Online School Provision will continue until pupils’ ‘in school’ date.

Accompanying this letter, you will find information about “COVID-19 Onsite Testing for Pupils (Lateral Flow Device) - communication 2b” and “Asymptomatic COVID Testing programme - communication 2C”. A consent form - communication 2d” will be sent separately.

We ask parents/carers to read this detailed information that provides clarity around the testing programme.

Yours sincerely

Mrs G Harrison-Jones
 Headteacher
