

Calligram: a word, sentence or poem in which the design and layout of the letters creates a visual image related to the meaning of the words themselves. Guillaume Apollinaire was a famous French poet who wrote a book of poems entirely made of calligrams.

YOUR CHALLENGE: Design a calligram based on a French or Spanish word or sentence(s). All the words in your calligram must be in French or Spanish and the finished design must look like an image representing the words/sentences that you have written. You can use colour and be as creative as you like.
