## Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

## Pupil Entitlement

Pupils in Years 7 to 11 are entitled to:

- find out about technical/vocational education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- hear from a range of local providers about the opportunities they offer, including technical/vocational education and apprenticeships - through options events, assemblies and group discussions and taster events;
- understand how to make applications for the full range of academic, technical and vocational courses. Be supported, if requested, to make those applications.

## Procedure for Provider Access Requests

A provider wishing to request access should contact the CEIAG Coordinator  
Telephone: 01329 231641 Email: [office@camshill.com](mailto:office@camshill.com)

## Opportunities for Access

A large number of events, integrated into the school careers programme, will offer providers and employers an opportunity to come into school to speak to pupils and/or their parents/carers. These dates will be communicated to all parties that wish to attend, though this may be on a rotational basis where space is limited. Providers/employers can be added to this list upon request.

Employers may wish to be featured on [camshillcareers.com](http://camshillcareers.com) and should contact the Careers Advisor as soon as possible to discuss the content to be included.
