

Fareham Fireflys is a friendly netball club running sessions for netballers from the age of 6 to adult.

Based in the Fareham area, we play and train at a number of locations including Cams Hill School. In our junior section we have both development and performance teams competing in local leagues (U10 - U16), with performance teams also competing in Hampshire leagues (U11 – U19). Our Adult teams play in a variety of divisions of the local All About Netball League.

Training sessions for Juniors and Adults are taken by qualified Level 2 Netball Coaches. We are an England Netball Bronze CAPS Club.

We welcome new players and no experience needed. If you would like more details please get in touch on Membership.fireflysnc@gmail.com
