

PROSPECTUS

MR IAN HUDSON

‘ We are really pleased with how well the school has supported our daughter’s transition into secondary school. ’

Year 7 parent

Welcome to Cams Hill School

A warm welcome to Cams Hill School. We are really glad you are keen to find out more about our wonderful school. We believe it is a very special place to learn and work. At Cams Hill School we are proud to be a school **that is kind and that works hard in all that we do**. Choosing a secondary school is one of the most important decisions that you will make for your children and family.

At Cams Hill School, the relationships between staff and pupils are phenomenal. All staff have high expectations and are ambitious for each and every pupil; they know them well. With a rigorous, child-centred focus on each and every unique individual, pupils are enabled to make progress, achieve strong outcomes and enjoy their schooling with us. I encourage you to come and see this for yourselves!

As the Headteacher, it is my pleasure and privilege to introduce you to our school. We are proud to be the school of choice in the local area, consistently oversubscribed, aiming to be at the heart of the community in Fareham.

At Cams Hill School pupils come first in everything we do; young people should have the opportunities and the courage to be who they want to be. Underpinned by kindness and high standards, we enable pupils to thrive in a calm learning environment, supporting them to be active and courteous members of the community.

We imagine a future for our pupils where they will achieve success and self-fulfilment through the provision of a broad education, hard work, commitment, and determination. We have the highest expectations of our pupils and staff. We believe all our pupils will go on to make a positive contribution to society, whether that is in the local area or beyond.

We are driven by our values and principles. The world is a fast-moving place, and we reflect this by providing a learning environment that nurtures key skills to enable pupils to thrive. Our learning environment highlights the importance of new technologies; it emphasises the development of attitudes such as courtesy, commitment, and courage; it fosters the skills of independent thinking and communication; and it encourages a deep understanding of social responsibility in the community.

We are community focussed; we believe a school and education should be at the heart of a community. The school's resources and facilities are here for the Fareham and Portchester area; we aim to benefit pupils, their families, and the wider community.

We envisage a strong partnership with parents and carers; together we will see children progress and strive to achieve their goals.

We invest in our pupils and staff to be the best they can be through facilities, training, and time. We believe that if you invest in your community, the community will thrive.

We do this through the promotion of our three core values: **Courtesy, Courage,** and **Commitment**:

COURTESY

2 We foster a welcoming and respectful environment for learning, where everyone feels included and supported. We respect and appreciate each other; we are honest; we show kindness, compassion, and always care about the community in which we live can thrive.

‘ An all around great school!
We are really glad that he is
happy and flourishing. He enjoys
school, takes pride in his work
and is developing. Thank you!’

Year 8 parent

I couldn't speak more highly about this school, I am very proud that he is part of cams community, thank you for all your excellent work.

Year 9 parent

COURAGE

We support pupils to become resilient, independent, and capable of learning from success, as well as failure. This determination builds self-confidence; it empowers pupils to make decisions and to stand by their principles in an environment where creativity and innovation can thrive.

COMMITMENT

We maintain the highest standards in everything we do, every day. We encourage responsibility, hard work, dedication, and determination. We give our best in lessons, home learning, clubs, and when representing the school. Hard work and resilience are essential life skills, while a readiness to learn and taking pride in our work are crucial for achieving our best.

6

‘ We have loved seeing our son thrive at cams Hill School, he will really miss it when he leaves; he has made some truly wonderful memories. ’

Year 11 parent

Together we are a Community where all stakeholders come together, with acceptance, co-operation, and **tolerance**;

Where there is strong **collaboration** between pupils, staff, parents, carers, local schools, the residents, and local organisations;

Where **teamwork** is valued, with the entire school **community** supported to thrive and achieve success.
