

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14	Week 15	Week 16
Autumn		Developing Number				Proportional Reasoning	Testing	Proportional Reasoning	Half Term	Algebra		Circles		Geometry		Testing
		Number		Number Sense		Multiplicative Change		Multiplicative Change		Expanding & Solving		Circumference & arc length		Angles in parallel lines		
Spring	Developing Number		Representations			Testing	Half Term	Working with Circles		Algebraic Techniques	Developing Number		Testing			
	Fractions & Percentages		Working in the Cartesian Plane		Tables & Probability			Area & Sector Area		Indices	Standard Form					
Summer	Algebraic Techniques			Representations		Half Term	3D Shapes	Testing	Developing Geometry	Developing Geometry		Reasoning with Data		Geometry		
	Sequences		Factorising	The data handling cycle			Volume		Angles in Polygons	Transformations		Representing Data		Construction
